Zeist, the Netherlands, 7 June 2019 - Kendrion announced that during the Extraordinary General Meeting of Shareholders that was held today, Jeroen Hemmen was appointed as Kendrion's CFO and member of the Executive Board as of 1 July 2019.

Profile of Kendrion N.V.

Kendrion develops, manufactures and markets high-quality electromagnetic systems and components for industrial and automotive applications. For over a century, we have been engineering precision parts for the world's leading innovators in passenger cars, commercial vehicles and industrial applications. As a leading technology pioneer, Kendrion invents, designs and manufactures complex components and customised systems as well as local solutions on demand.

We are committed to the engineering challenges of tomorrow, and taking responsibility for how we source, manufacture and conduct business is embedded into our culture of innovation. Rooted in Germany, headquartered in the Netherlands and listed on the Amsterdam stock exchange, Kendrion's expertise extends across Europe to the Americas and Asia. Created with passion and engineered with precision. Kendrion – we magnetise the world.
